

Why Irish Dance?

At the Carle School of Irish Dance, we're very committed to our community and share our wonderful talents at many community events throughout the year. You can find us at festivals, St. Patrick's Day events, school assembly programs, non-profit fundraisers, nursing homes, private parties, weddings, corporate events, hockey and baseball games and many more! Once a dancer learns the basics and some choreographed steps, they can begin performing at these community events. Many of our beginners start out dancing at local nursing homes and progress to other community engagements. Parents are always thrilled to see their dancers perform numerous times throughout the year, getting great use of their costumes! In addition to providing the dancers the opportunities to be active in community service, through the various performances each dancer learns poise and self confidence, a skill they will carry with them through adulthood.

Here at the Carle School we have many beginner class options for children in Broome, Tioga, Chemung, Tompkins and Delaware counties. Beginner lessons at all of our locations are \$40/month.
